Life, **in style.**

The perfect sleeve is a sleek portfolio that protects your netbook, laptop pr MacBook Pro® from daily bumps and fumbles. Ours come in a variety of classic and unexpected fabrics and styles designed to fit your tiniest netbook to your almost-too-big-to-be a laptop. Choose a favorite or indulge with several.

PLS & PAS Sleeves

Our most luxurious sleeve treats laptops and MacBooks® like rock stars. Sleek neoprene is lined with a soft, sueded fabric to protect your hardware from scratches and nudges. Asymmetrical zippers allow easy access to your computer and reveal a pocket for your power cords, with a dedicated pod for a thumb drive. Practical gratification as its best.

Game Cases

Nintendo DS® and Sony PSP® are not just kid's' play. Protect your big kid distractions in molded EVA or fitted neoprene cases that organize your handheld of choice plus its essential accessories and games. Wish we could help with your score, too.

GPS

Now an integral partner for your hike or drive to a new destination, your GPS deserves the style and protection our road-worthy neoprene and molded EVA cases provide. Sized to fit popular models and available as a travel kit to organize your accessories, these cases will help to keep your GPS ready to find the next great route.

Life, **in motion.**

It's a challenge to keep everything in your front seat within reach and to organize the stuff in the trunk. We have catch-alls, totes, visors and other organizers that make it simple, neat and easy to find whatever you brought along. So your mind is on the road, not whatever is rolling under your feet.
